MENLO THERAPEUTICS INC.
(As amended September 2018)**

This Compensation Committee Charter (the “Charter”) was adopted by the Board of Directors (the “Board”) of Menlo Therapeutics Inc., a Delaware corporation (the “Company”), on December 21, 2017, effective upon the consummation of the Company’s initial public offering.

I. Purpose

The purpose of the Compensation Committee of the Board (the “Committee”) is (1) to assist the Board in discharging the Board’s responsibilities regarding: (a) the establishment and maintenance of compensation and benefit plans, policies and programs designed to attract, motivate and retain personnel with the requisite skills and abilities; (b) the compensation of the Company’s Chief Executive Officer (the “CEO”), the Company’s other executive officers, as defined by Rule 3b-7 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the Company’s non-executive officers and the Company’s directors; and (c) compliance with applicable compensation rules, regulations and guidelines promulgated by The NASDAQ Stock Market LLC (“NASDAQ”), the Securities and Exchange Commission (the “SEC”) and other law, as applicable.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company’s bylaws (as in effect from time to time) and applicable law. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board.

II. Membership

The Committee shall be composed of at least two (2) directors as determined by the Board, each of whom shall satisfy the independence and other eligibility requirements of NASDAQ rules(as amended from time to time), including Rule 5605(a)(2), and meet all other eligibility requirements of applicable law. No member of the Committee shall have a relationship to the Company which is material to that director's ability to be independent from management in connection with the duties of a Committee member.

Unless a Chairperson of the Committee (the “Chair”) is designated by the Board, the Committee may designate a Chair by majority vote of the full Committee membership. Any action duly taken by the Committee shall be valid and effective, whether or not the members of the Committee at the time of such action are later determined not to have satisfied the requirements for membership provided herein. Committee members may be removed from the Committee, with or without cause, by the Board. Committee members may resign from the

Committee at any time without resigning from the Board. Unless otherwise directed by the Board, each member shall serve until their respective successors are duly elected and qualified.

III. Meetings and Procedures

The Chair (or in his or her absence, a member designated by the Chair) shall preside at each meeting of the Committee and set the agendas for Committee meetings. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of the Company's bylaws that are applicable to the Committee.

The Committee should hold such regular or special meetings as its members deem necessary or appropriate, but in no event less than annually. Meetings of the Committee may be called by the Chair upon notice given at least twenty-four (24) hours prior to the meeting, or upon such shorter notice as shall be approved by the Committee. The Chair shall designate a secretary for each meeting who shall record minutes of all formal actions of the Committee. A majority of the Committee members, present in person or by phone, shall constitute a quorum. A majority of the members present shall decide any questions brought before the Committee, except to the extent otherwise required by the Company's certificate of incorporation or bylaws (each as in effect from time to time). Unless otherwise restricted by the Company's bylaws, any action required or permitted to be taken at any meeting of the Committee may be taken without a meeting if all members of the Committee consent thereto in writing (including by electronic transmission), and such writing (including any electronic transmission) is filed with the minutes of the Committee.

The Committee may, at its discretion, include in its meetings members of the Company's management, compensation and benefits consultants or any other person whose presence the Committee believes to be necessary or appropriate. Notwithstanding the foregoing, the CEO and other officers may not be present during voting or deliberations concerning his, her or their compensation, and the Committee may exclude from its meetings any persons it deems appropriate, including, but not limited to, any non-management director who is not a member of the Committee. The Committee shall regularly meet in closed sessions without management or other Company employees present.

The Committee shall keep regular minutes of any meetings where actions are taken (unless such actions are taken and reported to the Committee's satisfaction in the minutes of the Board meetings). Any such minutes kept by the Committee shall be distributed to each member of the Committee. The Secretary of the Company shall maintain the original signed minutes for filing with the corporate records of the Company. The Chair shall report to the Board regarding the activities of the Committee at appropriate times and as otherwise requested by the Chairperson of the Board.
